2010 Church Lawn Care—Bids Welcome!

If you are interested in bidding on this or know someone who you think could at a competitive price, please contact me for bid package details.

The Trustees would love it if someone wanted to just take care of this task as a stewardship commitment. We have good equipment to use. If enough people were interested, we could possibly do a rotation. Please contact me with any interest or contact information of someone who may be.

The **Welcome Ministry** is looking for additional greeters for both services. The addition of more entrances to our church has created additional opportunities for more members to participate in this important ministry. This is a wonderful way to meet people! Please indicate your willingness to be a greeter by signing up below.
