

# COMMUNICATE

## *How can we help you?*

PAUMCS has many different opportunities to help you to *be in the know*. There are several ways that we communicate with you to help you to have the best opportunity to work together and to share information. Here's how:

**PAUMCS.org** - The website is full of information and details on the many different areas of PAUMCS as well as resources and now the host of the PAUMCS store! Can't find what you are looking for there? Contact [LoriSluder@holston.org](mailto:LoriSluder@holston.org)

**The Vital Link** newsletter is published quarterly and sent to members via e-mail in late January, May, and September. It is a compendium of upcoming events, news, information, and other content of interest and value to members. [Lori Sluder](#) is the editor.

**E-Links** - In addition to our newsletters we send out news, announcements, concerns, etc. These will go out on an as needed basis.

**Linking Hands** - are sent out on a requested basis. This e-mail is a forum to share a job-related question or tip. Discussions range from choosing the best membership management software to safety on the job to keeping a green office to.....your choice! Have a question or want to share a new office tip, send them to [PAUMCSLinkingHands@gmail.com](mailto:PAUMCSLinkingHands@gmail.com)

**PAUMCS Prayer Link** - Sherry Heath and Janet Coffelt maintain the PAUMCS Prayer Link. E-mail Sherry ([sherry\\_heath@sbcglobal.net](mailto:sherry_heath@sbcglobal.net)) or Janet ([coffeltjan@sbcglobal.net](mailto:coffeltjan@sbcglobal.net)) to be kept updated on, or share your own, joys and concerns of and with your United Methodist co-workers throughout the great connection. PAUMCS membership is not necessary.

**FACEBOOK** - If you are on Facebook check out the PAUMCS page. Another great place to be in the know or to share information out to the PAUMCS community! Search PAUMCS on Facebook and join us there!

**FLICKER** - Check out our new photo page on Flickr. You might just find yourself there!
