April 2018

WELCOME TO NASHVILLE!!!

The Middle TN Chapter has been planning for your arrival for quite some time now, and we are MORE THAN excited to have you in our incredible city!

Either before conference begins or after conference has concluded, we hope your plans include taking time to visit some great areas in downtown! There is plenty to do for any size budget and located just minutes from our hotel! Once there, you can walk around and see the heart of Nashville. We have some amazing places to eat such as The Old Spaghetti Factory, Puckett's and even the Wildhorse Saloon dishes up some tasty food!

It is our hope that during this conference you will learn a lot, laugh a lot, worship a lot, and most importantly we hope that you leave feeling empowered, humbled and confident in your respective ministries. Each session is going to speak to you. Each worship song is going to speak to you. Every laugh and smile shared will strengthen your soul!

During your time in Music City USA, we sincerely hope you take time to rest and renew YOU, as it only makes us better at our ultimate call in glorifying our God. Prayers for each and every one of you! Now let's get this going! Here we go!

Looking forward to seeing you,

Robin Stanfield
President, Middle TN Chapter &
Administrative Assistant to the
District Superintendent, Scott Aleridge
Cumberland River District of the United Methodist Church
