Welcome to Kansas City, Missouri virtually!

Greetings! We are so glad you are here!!

On behalf of the Executive Committee and the Missouri PAUMCS Site Committee it is my pleasure and honor to welcome you to the 38th Annual Meeting of the Professional Administrators of the United Methodist Connectional Structure.

If this is your 1st time at a PAUMCS conference, we extend to you a very special welcome. You are in for a wonderful experience. You will be educated and make new friends and co-workers in this organization called PAUMCS.

If this is your 2nd through 37th conference, welcome back. Enjoy learning new things to take back to your workplaces, catching up with old friends and making new ones.

We will keep our eyes focused on Christ through the role of administrators, through the development of disciples as we grow the Kingdom of God. We have gathered speakers who will help us enhance our spiritual health, our financial wealth and provide encouragement for us to continue to serve in our respective ministries. We will also worship together, remember those who have gone onto glory since our last conference and celebrate the 2019 and 2020 Certification Classes.

The Missouri Site Committee has chosen Baby Grace as their mission project. The mission of Baby Grace is to share God's love and grace by offering material, emotional, and spiritual support and development for families with young children. This is a most meaningful project which changes lives. Your support is greatly appreciated.

While you are here, enjoy your time together catching up with old friends, making new ones and remembering your connection with your PAUMCS sisters and brothers in Missouri, across the United States and globally.

Peace and Blessings,

Gail Douglas-Boykin, President
