Welcome to Nashville, Tennessee!

Greetings! We are so glad you are here!!

On behalf of the Executive Committee and the Nashville PAUMCS Site Committee it is my pleasure and honor to welcome you to the 36th Annual Meeting of the Professional Administrators of the United Methodist Connectional Structure.

If this is your 1st time at a PAUMCS conference, we extend to you a very special welcome and tell you that you are in for a wonderful experience. You will be educated and make new friends and co-workers in this organization called PAUMCS.

If this is your 2nd through 36th conference, welcome back. Enjoy learning new things to take back to your workplaces, catching up with old friends and making new ones.

We will make a joyful noise, while we are here in Music City. We have gathered speakers who will help us enhance our spiritual health, our financial wealth and provide encouragement for us to continue to serve in our respective ministries. We will also worship together, celebrate Communion, remember those who have gone onto glory since our last conference and celebrate the 2017 Certification Class.

The Nashville Site Committee has chosen End Slavery Tennessee as their mission project. The mission of End Slavery Tennessee is to promote healing of human trafficking survivors and strategically confront slavery in Tennessee. This is a most meaningful project which change lives. Your support is greatly appreciated.

While you are here, enjoy your time together seeing old friends, making new ones and remembering your connection with your PAUMCS sisters and brothers in Nashville, Tennessee, across the United States and globally.

Peace and Blessings,

Gail Douglas-Boykin, President
