Tues., Sept. 11 @ 7:00 PM CDT – Connecting New Leader: Spiritual Gifts & More – Discover tools to develop new and existing leaders. This webinar is designed to help congregations develop and plan annual leadership development events. The tools can be used for both individual and group training experiences.

Tues., Oct. 9 @ 7:00 PM CDT – Evaluating Ministry Leaders and Building New Ministry Teams – Was the year so full of planning that you missed time for reflective thinking and Sabbath? How should your leaders evaluate, prepare, pray, and develop ministry action plans for the upcoming year? Focusing on building and transforming small groups, this webinar will share insights about moving forward with implementing healthy annual learning schedules that promote increasing spiritual practices to support leadership development, small groups, and community mission experiences.

Tues., Nov. 13 @ 7:00 PM CST – Celebrating Leaders: Engaging Community & Spiritual Practices (focusing on cultural and ethnic practices throughout the year) – Praying through the Christian Year is a gift! As new people from different cultures and ethnic groups connect within our congregations, celebrating community and spiritual practices is important. This webinar will share ways to use Discipleship Ministries' resources during the year to help increase communication and prayer lives in our congregations.

Archived Webinars: Maybe you missed the webinar for your leadership area or you want to share it with the team; webinars are archived for future usage. Identify the webinar, click the link, enter the requested information, and the webinar will be immediately available for individuals to view or share during a meeting, program, or training event. Access the archived webinars at: <http://www.umcdiscipleship.org/leadership-resources/archived-webinars>. **These webinars are made possible by World Service Fund support!**
