To the Members of PAUMCS

Dear Friends,

Welcome to Nashville, Music City USA! We hope you have a wonderful time here for your annual conference and that you enjoy a taste of what we like to call “Southern Hospitality” along your way.

The Nashville Episcopal Area is made up of the Memphis and Tennessee Annual Conferences which include middle and west Tennessee and western Kentucky.

Professional administrators like you support our 1,001 chartered churches, 816 appointed clergy, and membership of almost 200,000 in 9 districts across these two Annual Conferences. This is in addition to fifteen campus ministries, and three camp and retreat centers.

Your roles are vital for the mission, ministry, and ultimately success of our denomination. We hope that the presentations, workshops, worship, and fellowship you will experience while here are a blessing to you and thus to our connectional church.

Grace and peace,

Resident Bishop
