Western North Carolina Chapter

Dear Annual Conference Attendees:

The time has come...the time to welcome you to the 2022 PAUMCS Annual Conference at beautiful Lake Junaluska. Our committee has been working diligently since late 2019 to plan an event that will be not only be a blessing to your soul, but one that is also beneficial to your work as professional administrators.

The life of church administrators is a busy one. We so often are caught up in taking care of the needs of our congregations that we don't take the time to take care of ourselves. I like the quote from Anne Lamott: *"Almost everything will work again if you unplug it for a few minutes, including you."* It is our hope that the workshops offered this weekend on the theme of **"Refresh Renew Restore,"** as well as the opportunity to relax, "unplug" and enjoy the beauty of the North Carolina mountains, will help refresh your body, mind, and spirit, enabling us to be better prepared to handle what lies ahead on our journey of life.

I wish to take this opportunity to thank all of the members of the Western North Carolina Chapter PAUMCS Executive Committee, as well as other WNCC PAUMCS members, who have helped to make this event a reality. On behalf of the Western North Carolina Chapter of PAUMCS, we welcome you to North Carolina. If you should need any assistance during your stay at Lake Junaluska, please see one of the WNCC ladies in the teal aprons. We will be happy to assist you in any way we can.
