Delighted Greetings and Welcome to Minneapolis, Minnesota,

On behalf of the Executive Committee and the Minnesota Chapter, I welcome you to the 40th Annual Conference of PAUMCS.

If this is your first conference, we are pleased and honored that you chose to attend. You will find this to be a grand opportunity to meet new friends, learn about new ideas and worship with co-workers from within the United Methodist structure.

We are encouraged by our returning attendees as we strive to carry out the mission of PAUMCS, along with the renewed friendships formed through our connection within the United Methodist Church.

The theme for this conference is Water: Both Constant & Changing. Our speakers will share and encourage us with The Differences are Real, Change, Conflict, and Bad Behavior, Open, Welcoming, and Safe, and Putting It All together. During worship we will remember those who have passed onto glory since our last conference and celebrate with the Certification Class of 2022.

The Minnesota site committee has chosen Emma Norton Services as our Mission focus. Emma Norton provides transformational housing for women and families on their journey of recovery. Your support is greatly appreciated.

While you are here, I pray that you are rejuvenated through our learning sessions, worship and shared fellowship. When the conference is done, please take us back with you and share with others your new knowledge and our connection through PAUMCS. We need all of you to help us continue for another 40 years.

Abundant blessings,

Rhonda G. Ramsey

Advanced Certified United Methodist Administrator
PAUMCS President
