

WILLIAM T. McALILLY, RESIDENT BISHOP

March 2024

To: Members of PAUMCS

Dear Friends,

The Tennessee-Western Kentucky Conference of the United Methodist Church welcomes you!

Welcome to Memphis, the home of the Blues! We hope you have a wonderful time here at the PAUMCS Annual Conference and you experience true ‘Southern Hospitality’ during your stay.

The theme of this year’s Annual Conference is “Bind Us Together”. This intentional theme is very powerful during these times. “Above all, clothe yourselves with love, which binds us all together in perfect harmony. And regardless of what else you put on, wear love. It’s your basic, all-purpose garment. Never be without it.” Colossians 3:14

Professional Administrators, like yourself, provide essential support that brings organization and continuity to the ministry. United Methodist Church administrators are the critical support throughout the denomination and are the vital link for the connectional church.

Your calling in an administrative role is vital for our success of the mission and ministry of The United Methodist Church. I pray this annual conference is a blessing to you and you find joy when participating in the workshops, presentations, and fellowship.

May the grace and peace of Christ be with all of us.

Grace and Deep Peace,
