WELCOME TO MEMPHIS, TN  
HOME OF THE BLUES!!

The Tennessee-Western Kentucky (TWK) Chapter has been planning for your arrival for quite some time now, and we are eagerly awaiting our time together!

Either before the conference begins, or after the conference has concluded, we hope your plans include exploring the great city of Memphis! There is plenty to do for any size budget with many places located just minutes from our hotel. The ever-so popular Beale Street is a short, easy walk (0.3 miles) from the hotel. You know you will want to taste the southern deliciousness of BBQ and what greater place than to head on over to the famous Rendezvous, even CLOSER (0.1 miles away from hotel) than Beale Street! Don't forget to visit the famous Peabody Ducks while you are here. You can catch them daily at 11am and 5pm, located directly across the street.

It is our sincere hope that during this conference you will learn a lot, laugh a lot, worship a lot and most importantly, we hope that you leave feeling empowered, confident, and humbled in your respective ministries. May each session speak to you, and every laugh and smile strengthen your soul.

May you also find time to rest and renew YOU, as it only makes us better at our ultimate calling which is glorifying God through our work that He has called us to do! I am always humbled and truthful, when I say "Ya'll, we GET to do this!"

Prayers for each of you in your traveling journeys and we will see you in Memphis!

In Him,  
Robin Stanfield
