

2024 Report of The Professional Training and Standards (PTS) Committee

The PTS Committee is excited to report that our PAUMCS membership is very active in attending ongoing training to earn Continuing Education credits. In 2024, we granted CEUs for attendance at our National Conference in Memphis to 43 national members of PAUMCS who attended in person, and 17 who attended the conference virtually. We had 19 members who completed the Certification Institute and 20 members who completed the Advanced Certification Course.

The PTS Committee also awarded CEUs to national members who attended Chapter events: we granted CEUs to nine who attended the Missouri Fall Conference and eight who attended the Western North Carolina Fall Conference.

Our committee also oversees the requests for scholarships to attend National Annual Conference and Certification Classes. This year we granted scholarships to three members to attend Certification Classes.

The PAUMCS Memorial Scholarship Fund is available to help with the costs of Annual Conference and also Certification Classes. A donation to the fund is a great way to honor someone. Donations may be sent at any time during the year to our treasurer, Wendy Miller.

The PTS Committee looks forward to serving you in 2025. Keep learning!

Judy Gross
PTS Chair
