

March 2025

Greetings Friends!

Welcome to the 2025 Annual Conference of the Professional Administrators of United Methodist Connectional Structure (PAUMCS). The Tennessee Western Kentucky chapter has been hard at work to put together a time of fellowship and worship for you this week with the theme of “Bind Us Together”.

Twenty-four PAUMCS members were certified through the PAUMCS Online Certification program last year. They are a diverse class and began work on June 1 and finished with group presentations. All the presentations were excellent. It was so uplifting to connect with this class virtually. We celebrate the class of 2024 for their hard work.

The Advanced Certification Class was held in February in conjunction with our Quadrennial Training in Houston TX. There were nine students in the class working on their final projects. It was a great time of learning.

Thank you for being a part of this great organization. I look forward to the fellowship and sharing of great ideas to grow us individually and as an organization.

“Two are better than one, because they have a good reward for their toil. For if they fall, one will lift up his fellow. But woe to him who is alone when he falls and has not another to lift him up!” Ecclesiastes 4:9-10

Sincerely,
